Dear Friends,

As a parent, I realize that choosing the right school for your child is one of the most important decisions that you face. In light of that fact, I appreciate your interest in First Baptist Christian School.

We have a committed faculty and staff who provide a challenging school program in a nurturing, Christian environment. I am thankful to God for blessing our school over the years, and for granting us an exciting sense of vision for the school's future.

This packet contains admissions forms, program overviews, and other information relevant to your inquiry. Please take the time to read through it thoroughly. I believe that this information will give you a sense of what our values and priorities are as educators.

Upon receipt of the completed admissions materials, we will review your information and schedule a family interview as appropriate. In the meantime, please feel free to call us if you have additional questions, or if we may help you in any way.

Sincerely,

J. Stacey Miller
