Statement of Cooperation

PHILOSOPHY OF EDUCATION: We believe that the Bible holds us, as parents, responsible for the education of our children. We enlist the help of First Baptist Christian School to assist us in that effort. We agree to support the school's effort to train our child to be a follower of Christ, and to teach our child to view all of life from a Christian point of view.

FAITH STATEMENT: We have read First Baptist Christian School's Statement of Faith, and we agree to support the school's effort to teach our child from the perspective expressed therein.

DISCIPLINE: We believe that discipline is a necessary part of our child's education. We give permission for the teachers and/or administration of FBCS to make and enforce classroom regulations in a manner consistent with Christian principles and discipline as set forth in Scripture. We understand that we have the responsibility to support the authority, philosophy, objectives, policies, procedures, and discipline of the school as established by school leadership.

PARENTAL PERMISSION: We give our permission for our child/children to be transported to and from the Upper School Campus to the Lower School Campus as necessary for school related activities. We give our permission for the teachers and chaperones to render medical aid, or seek professional medical assistance for our child/children in the case of an emergency. We agree to hold First Baptist Church, First Baptist Christian School, and any chaperone harmless for any accident or injury while our child/children participate in a field trip or other school related activity.

PARENTAL COMMITMENT: We agree that we will in no case complain to other parents, but will register only necessary complaints with the teacher or administration following the Matthew 18 principle. We pledge our full cooperation to keep doctrinal controversy out of the school. We understand that it is our responsibility to read the student handbook and agree to abide by its established policies. We agree to support the school with our prayers and positive attitude. We understand that if at any time the school determines that our actions do not support the ministry, or reflect a lack of cooperation and commitment to the school-home partnership, the school has the right to request the withdrawal of our child. We understand that the school reserves the right to dismiss our student for lack of cooperation on the part of the student, parent, and/or guardian.

We certify that we have read the above Statement of Cooperation and agree to abide by it.
